IN RE: Motion of ALLTEL South Carolina, Inc.                   ) ORDER  
for authorization to relocate books,                   ) GRANTING  
accounts, papers and records of Alltel                   ) MOTION  
South Carolina, Inc.   )

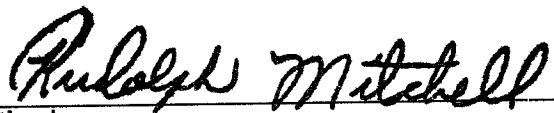

This matter comes before the Public Service Commission of South Carolina (the Commission) on the Motion of ALLTEL South Carolina, Inc. (ALLTEL or the Company) for authorization to relocate books, accounts, papers and records.

The Company states that it is subject to the mandate of S.C. Code Ann. §58-9-380 and Reg. 103-610 that certain books and records of the Company be kept within the State, except where this Commission otherwise permits. The Company states that it is in the process of consolidation of its accounting functions to be completed by April 12, 1995 and because of improvements in electronic data processing and transmission, it would be more efficient and economical to move to and maintain said books and records at its offices in Little Rock, Arkansas. ALLTEL states that it presently maintains its books and records in its regional offices in Matthews, North Carolina. ALLTEL states that the records shall be available for examination by the Commission or its authorized representatives at all reasonable hours, at the expense of the Company, should it be necessary for the Commission or its representatives to Little Rock, Arkansas, or for the records to be

returned to South Carolina as directed by the Commission. ALLTEL then moves the Commission for an Order permitting the removal on or before April 24, 1995 of the books, accounts, papers and records required by the Commission to be kept from its offices in Matthews, North Carolina to its offices in Little Rock, Arkansas upon the condition that these records shall be available for examination by the Commission or its authorized representatives at all reasonable hours and at the expense of ALLTEL South Carolina, Inc.

The Commission has examined this matter and believes that the Motion of the Company should be granted. This Order shall remain in full force and effect until further Order of the Commission.
